

PHAKISA SIGNS

**B-BBEE
LEVEL 2
COMPLIANT**

company profile

25 years ago a dream was born from humble beginnings to create a designing, printing and manufacturing company with one goal in mind, to be the BEST!

Striving to be the best has nothing to do with profits, but it has everything to do with service, quality, integrity, honesty and values.

At the core of our values is our relationship with the community, our staff and our valued clientele. We support our government's efforts to create a better future for all therefore we believe that transformation is very important and as a result we are immensely proud of our B-BBEE LEVEL 2 status.

vision | mission

Our Vision

is to be the best in everything we touch from designing, manufacturing and execution of projects, ensuring growth, success and sustainability.

Our Mission

Is to offer the best possible product and service while being the most affordable. Our Dedication in service excellence will be our biggest marketing tool thus ensuring the future of our biggest asset our staff with the objective to grow and create job opportunities thus stimulating the economy in our city, our province and our country South Africa.
